

# Hypochlorite Laundry Destainer

JLA Hypochlorite Laundry Destainer is a chlorine based bleach solution that enhances white washes – removing stains while causing minimal fabric damage. And because it is effective at lower temperatures, it helps to cut energy bills and increase linen life.

## Benefits

- Chlorine based bleach solution
- Excellent stain removal properties especially on whites
- Allows bleaching at lower temperatures saving energy

## Usage instructions

Use at a rate of 6 - 15ml/kg fabric. Correct concentration to be set by technical representative. NOT suitable for use on wools, colours fire retardant, leather or silk fabrics. **Warning:** This can cause permanent colour loss. DO NOT mix with peroxides or other destainers. NOT to be used with **QTEX**.

## Technical data

**Appearance:** Yellow Liquid

**Odour:** Characteristic

**pH:** 11.5 @ 1% Solution

**For use with auto-dosing equipment**

## Safe handling and storage information

Store in original packaging, away from extremes of temperatures. Full guidance on the handling and disposal of this product is provided in the separate Safety Data Sheet.
