

Laundry Emulsifier

JLA Laundry Emulsifier powerfully removes greases and oils from all types of fabrics, including colours. It is the ideal laundry solution for markets where grease and oil soiling is extremely likely, such as the catering and hospitality industries and is especially suited to spa's and beauty salons. The JLA Laundry Emulsifier is effective at all temperatures and also assists with cleaning to ensure even better results in your wash.

Benefits

- Powerfully removes greases and oils
- Safe to use with coloured fabrics
- Effective at all temperatures
- Specially formulated for use in professional laundries
