

JLA 7

Compact Dryer

Available as either a standard or condenser model, our JLA 7 is stylish, energy-efficient and runs almost silently.

Slightly larger than a domestic machine, but with a much larger capacity drum to reduce creases, this dryer is simple to use with push-button operation. It can also be stacked with a matching washer where space is at a premium.

JLA 7

Compact Dryer

Key Features

- Easy-to-use push-button operation.
- Auto-dry cycles stop automatically when load is dry to save energy.
- Touch-dry with 10-minute increments.
- Special programme for delicates.
- Large capacity drum prevents heavy creasing – saves ironing time.
- Stackable.
- Coin or token operation available.
- Condenser model – fastest available, requires no external ducting.
